

Developmental Screening Learning Community Call

November 18, 2020

9:00-10:00 a.m.

Please join us. This will be a very open and informal Learning Call given the COVID-19 pandemic. We decided it may be helpful for us to have a different kind of call. A call where you can share and talk about your local story (if you wish to share) and we can listen, acknowledge struggles that you've had or continue to have, and offer you support as best we can.
