

A Trust Based Approach to Health and Food Security

OUR APPROACH

What are we doing to create change?

FoodCare Coalition Partners

What are we doing now?

Feeding America outreach specialist co-located at Children's Midtown clinic 1 ½ days per week to support FoodShare enrollment and benefits navigation

Operationalizing shared cross-sector navigator to connect medical home (Children's Forest Home Clinic) and food pantry (NourishMKE - Despensa de la Paz)

Data Chats

These are community conversations about data designed to elicit resident's unique perspectives and interpretations

Increasing Data Practices

Conducting a readiness assessment and capacity building for cross sector data and information sharing to better coordinate services
