a press with purpose

## BLUE MANATEE PRESS PROUDLY PARTNERS WITH: REACH OUT & READ

Founded in 2011, **blue manatee press** is rooted in a mission to create meaningful, enduring books that help bring grownups and children together. Our laboratory is an award-winning independent bookstore in business for over 20 years.

A major part of the blue manatee press mission is to create and distribute excellent children's books that convey important, evidence-based health information for families of infants and young children in a readable, nurturing way.

Led by a pediatrician with unique expertise in general and health literacy, we seek to redefine how such information is shared, especially in at-risk populations. We seek partnerships with public health, pediatric, and other non-profit advocacy organizations, to help ensure that the story for all children is a happy and healthy one.

where great stories begin™

"These books work on so many levels, with poetry to hear, pictures to talk about, and a powerful message... Wonderful medicine for an overly electronic age!"

– *Dr. Robert Needman, MD,  
Co-founder of  
Reach Out & Read*

"[A]n outstanding much-needed resource for parents (and teachers and librarians too!) to encourage thoughtful book-sharing interactions between parents and children."

– *Dr. Laura Justice, College  
of Education & Human

Professor, The Ohio State  
University*
