Book Suggestions for Amish Families

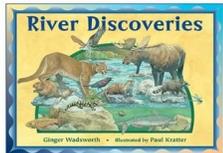

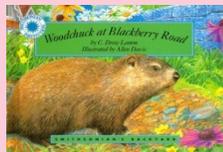

Guidelines for picking books for Amish children

Books for Amish children should reflect Amish culture and values. Some suggestions of themes include nature and farming. Like many parents, Amish parents appreciate when books teach children positive life lessons. For example, a book that encourages telling the truth.

Books should NOT contain:

- Topics of fantasy
- Ghosts, evil spirits, etc.
- Anthropomorphic animals
 - Animals that talk
 - Animals wearing clothing
- Dinosaurs, fossils, evolution
- Pictures of people
 - Drawings of people in the distance are okay
- Airplanes
