Today's meeting

- ❑ Review *Draft* 2022 Timeline and Key Activities
- ❑ Discuss Roles and Expectations of our Work in 2022
- ❑ Evaluation Plan Updates

Project Timeline

2022 Goals

Families provide input and help improve the process

Family focus groups with Feeding America

Family focus groups with Friedens

Family focus groups with Children's

Family focus groups with Salvation Army

Partners review Results

Midtown and Next Door utilize a consistent, documented screening process to identify the need for emergency food and Food Share

Midtown & Next Door review screening, referral, documentation processes

Friedens, FA, Sal Army, families review Children's processes and provide feedback

Partners review Results

Partners identify needed resources, and develop and test a referral process from the clinics to pantries and Feeding America

Friedens reviews processes to complete referral (from Children's)

Salvation Army reviews processes to complete referral (from Children's)

FA reviews processes to complete referral (from Children's)

Midtown & Next Door- Friedens, FA, Sal Army screening & test referral processes

Partners review Results

7. Pantries and Feeding America have necessary capacity to accept referrals
8. Families develop healthy relationships and trust in pantries
9. Children and families are enrolled in SNAP and WIC
10. Children receive healthy food at pantries (Choice Pantry)

GOAL	Indicator	Data Source	Eval Timing
1. Partners develop stronger relationships across food and health systems	Partner assessment and examples	Retrospective survey Documentation of examples	Q4
2. Partners demonstrate buy-in and value of cross-sector relationships	Partner assessments and examples	Retrospective survey Documentation of examples	Q4
3. Partners increase knowledge across health and food systems	Partner assessment and examples	Retrospective survey Documentation of examples	Q4
4. Families provide input and help improve the process	Family suggestions from focus groups	Family Attendance Participation and Documentation, partner awareness of input	Q2
5. Midtown and Next Door utilize a consistent documentation and screening process to identify the need for emergency food and Food Share	Documented process, protocols, training curriculum, dates and attendance	Process documentation Interviews with clinic staff Referral data	Q3, Q4
6. Partners identify needed resources, and develop and test a referral process from the clinics to pantries and Feeding America	Partners agree on needed resources and test referral process from clinics	Planning documents Pilot results and adaptations	Q3
7. Pantries and Feeding America have necessary capacity to accept referrals	# of staff, training, technology, facilities, food	Interviews with pantry staff Family satisfaction -survey or focus group	Q3
8. Families develop healthy relationships and trust in pantries	Family satisfaction Enrollment	Family surveys (retro) or focus groups	Q4
9. Children receive healthy food at pantries	Pantry operates as Choice Pantry following nutrition guidelines	Distribution records, Family feedback	Q4
10. Children and families are enrolled in SNAP and WIC	Completed registrations	Referral follow-up, Family feedback	Q4

Possible Survey Questions for Partner Assessment

Since participating in the food insecurity and health pilot project....	Strongly agree	Agree	Disagree	Strongly Disagree
My relationships with people in the other sector has broadened	○	○	○	○
I know more people to connect with if I have questions	○	○	○	○
My relationship with people in the other sector has deepened	○	○	○	○
I know them better, have a better understanding of their work	○	○	○	○
I have greater appreciation of the value in cross-sector collaboration	○	○	○	○
I have more understanding of the need for cross-sector collaboration	○	○	○	○
I have reached out to others in this partnership	○	○	○	○
Others have reached out to me with questions or ideas	○	○	○	○
I have a greater understanding of the work of those in the other sector	○	○	○	○
I have become a more informed advocate for partners and families	○	○	○	○
I have shared my knowledge of my sector with those in the other sector	○	○	○	○
I am aware of the involvement of families in establishing the screening process	○	○	○	○
I am aware of the engagement of families in designing the referral process	○	○	○	○
I have reviewed the screening process and am aware of expectations	○	○	○	○
Focus groups results were shared with me	○	○	○	○
I have reviewed the referral process and am aware of expectations	○	○	○	○
I understand what resources are necessary to accept referrals	○	○	○	○
I believe partners have the necessary resources to accept referrals	○	○	○	○
I understand the importance of consistent screening	○	○	○	○
I believe partners are delivering consistent screening	○	○	○	○
I understand the importance of the referral process from the clinics to pantries or Feeding America	○	○	○	○
The clinics are using the established referral process appropriately.	○	○	○	○
etc	○	○	○	○

Possible probes/ interview questions for examples:

Can you give an example of:

- a partner from the other sector reaching out to you for information or guidance?
- a time when you reached out to a partner from the other sector for information or guidance?
- a time you shared your knowledge with partners from the other sector?
- something you learned about the other sector?
- something you learned about the families who are screened at the clinic?
- something you learned about the families who are referred to the pantries?
- something you learned about the families who are receive emergency food or enroll in SNAP?

Next Steps

- ☐ Review the draft timelines and key activities
- ☐ Review the roles document
- ☐ 2022 dates will be sent in December to 'Hold' for all group gathering

Questions and thank you
