

Penn Dental Medicine's <u>dental education portal</u> offers a robust calendar of LIVE online and hybrid learning opportunities as well as a library of self-paced courses that can be accessed at anytime and at the learner's own pace.

<u>Center for Persons with Disabilities Presentation Series</u>: a series of professional development programs, is aimed at building awareness of the barriers to equitable oral health for individuals with disabilities, and developing competency to provide oral health care to this vulnerable population.

The series is open to dentists and their support personnel at no charge. Dentists completing 18 or more of the courses within a three-year period will receive a certificate of completion from Penn Dental Medicine as a Disabilities Dentistry Clinician Expert.

**How to get started:** The new eLearning platform requires the learner to create an account.

Creating an Account:

- 1. Click the "SIGN UP" button
- 2. Complete the fields on the PennPath form and click the "Sign up" button.

  NOTE: Username is case sensitive. We recommend keeping your username all lowercase and using your email address as your username.
- 3. Check your email. Look for an email from ciam-admin@isc.upenn.edu and confirm your registration by clicking the hyperlinked text "Click Here"

  NOTE: It is recommended to confirm your registration on a computer rather than a mobile device.
- **4.** Sign in using your newly created user name and password.
- 5. Complete your profile by clicking "Go to Your Profile"
- **6.** Once you have created your log in you are ready to register for upcoming lectures and view archived webinars using the following link: <u>Persons with Disabilities Presentation Series.</u>
