

Potential sources of supplies for stock asthma medications in schools

Asthma and Allergy Foundation of America's RESCUE program

- Already working with Missouri and Illinois, willing to partner with Wisconsin schools
- <https://aafamidstates.org/how-we-help/school-programs/>
- Contact: Chris Martinez, cmartinez@aafastl.org

Thayer medical – LiteAire DMI holding chambers

- <https://thayermedical.com/products/liteaire/>
- Thayer can ship LiteAire DMI holding chambers directly to school districts (they are FDA approved)
- Requires a prescription or a standing medical order for the LiteAire (or simply listing any generic spacer on the order works as well)
- Contact: info@thayermedical.com for any information requests
orders@thayermedical.com to place orders
Phone number: 520-790-5393 for any questions or for phone orders
