FOR FAMILIES AND PROFESSIONALS

The Infant Death Center (IDC) provides bereavement support and resources to Wisconsin families and others affected by the sudden and unexpected death of an infant.

The IDC is an initiative of Children's Health Alliance of Wisconsin working to increase healthy birth outcomes, and reduce fetal and infant deaths.

ABOUT US

The IDC was founded in 1980 to provide grief and bereavement support to families. In 2010, the IDC became an initiative of Children's Health Alliance of Wisconsin and is affiliated with Children's Hospital of Wisconsin.

COLLABORATIONS

The IDC works with public health departments, private health systems, community organizations and others to ensure grieving families are provided support and resources.

FUNDING PROVIDED BY

- A MCH Title V Services Block Grant, through the Maternal Child Health Bureau of the Health Resources and Services Administration, Department of Health and Human Services
- Children's Hospital of Wisconsin Foundation
- Private donations
